Age 11

What does my Church and parish mean to me?

The church means a lot to me as I know that I can just go there and pray to God, it also means that I can hear to Gospel. The parish means that when I was preparing for my communion and confirmation I was there and had meetings in the parish. They also have a Christmas and Easter mass but sadly I always seem to be on holiday when the Easter mass is on but I manage to go to the Christmas masses
